

The background is a dark blue bokeh of city lights in various colors (red, yellow, white, blue). In the lower right foreground, a smartphone is visible, its screen glowing with a bright white light, possibly displaying a notification or a bright image.

weXelerate

weXelerate is an open innovation ecosystem in a one-of-a-kind location in the heart of Europe - Vienna. Our vision is to connect corporates and other stakeholders with startups in an open innovation concept across all industries. We are the largest multi-corporate enabled startup ecosystem in Europe and your ideal add-on for your innovation management.

weXelerate owns over 1,125 square metres of unique event spacing which is divided into 5 large venues named after the most significant visionaries and entrepreneurs of our time. Our versatile and innovative venues are able to host everything from boardroom meetings to training sessions, workshops and even full conferences with multiple breakout spaces. Each venue provides its guests with technology and audio-visual equipment to ensure any event runs perfectly.

Elon Musk

“When something is important enough, you do it even if the odds are not in your favor.”

Named after one of the most significant innovators of our time, weXelerate's main conference space is the largest and one of the grandest of the conference venues, where expansive spaces can be utilized for a diverse range of corporate events, lectures, conferences and presentations. It can accommodate a reception for up to 120 guests on the building's second floor, providing visitors with outstanding panoramic views over the bustling Donaukanal and city center of Vienna itself. The place has the bare essentials including built-in high-tech features and a bar area to make your event run smoothly.
