## What Is SEE Innovation Summit?

The South East Europe Innovation Summit 2017 is a Belgrade's invite-only event that brings together brilliant minds interested in innovation and the smart living & technology revolution to discuss and explore the latest trends in the world of change.

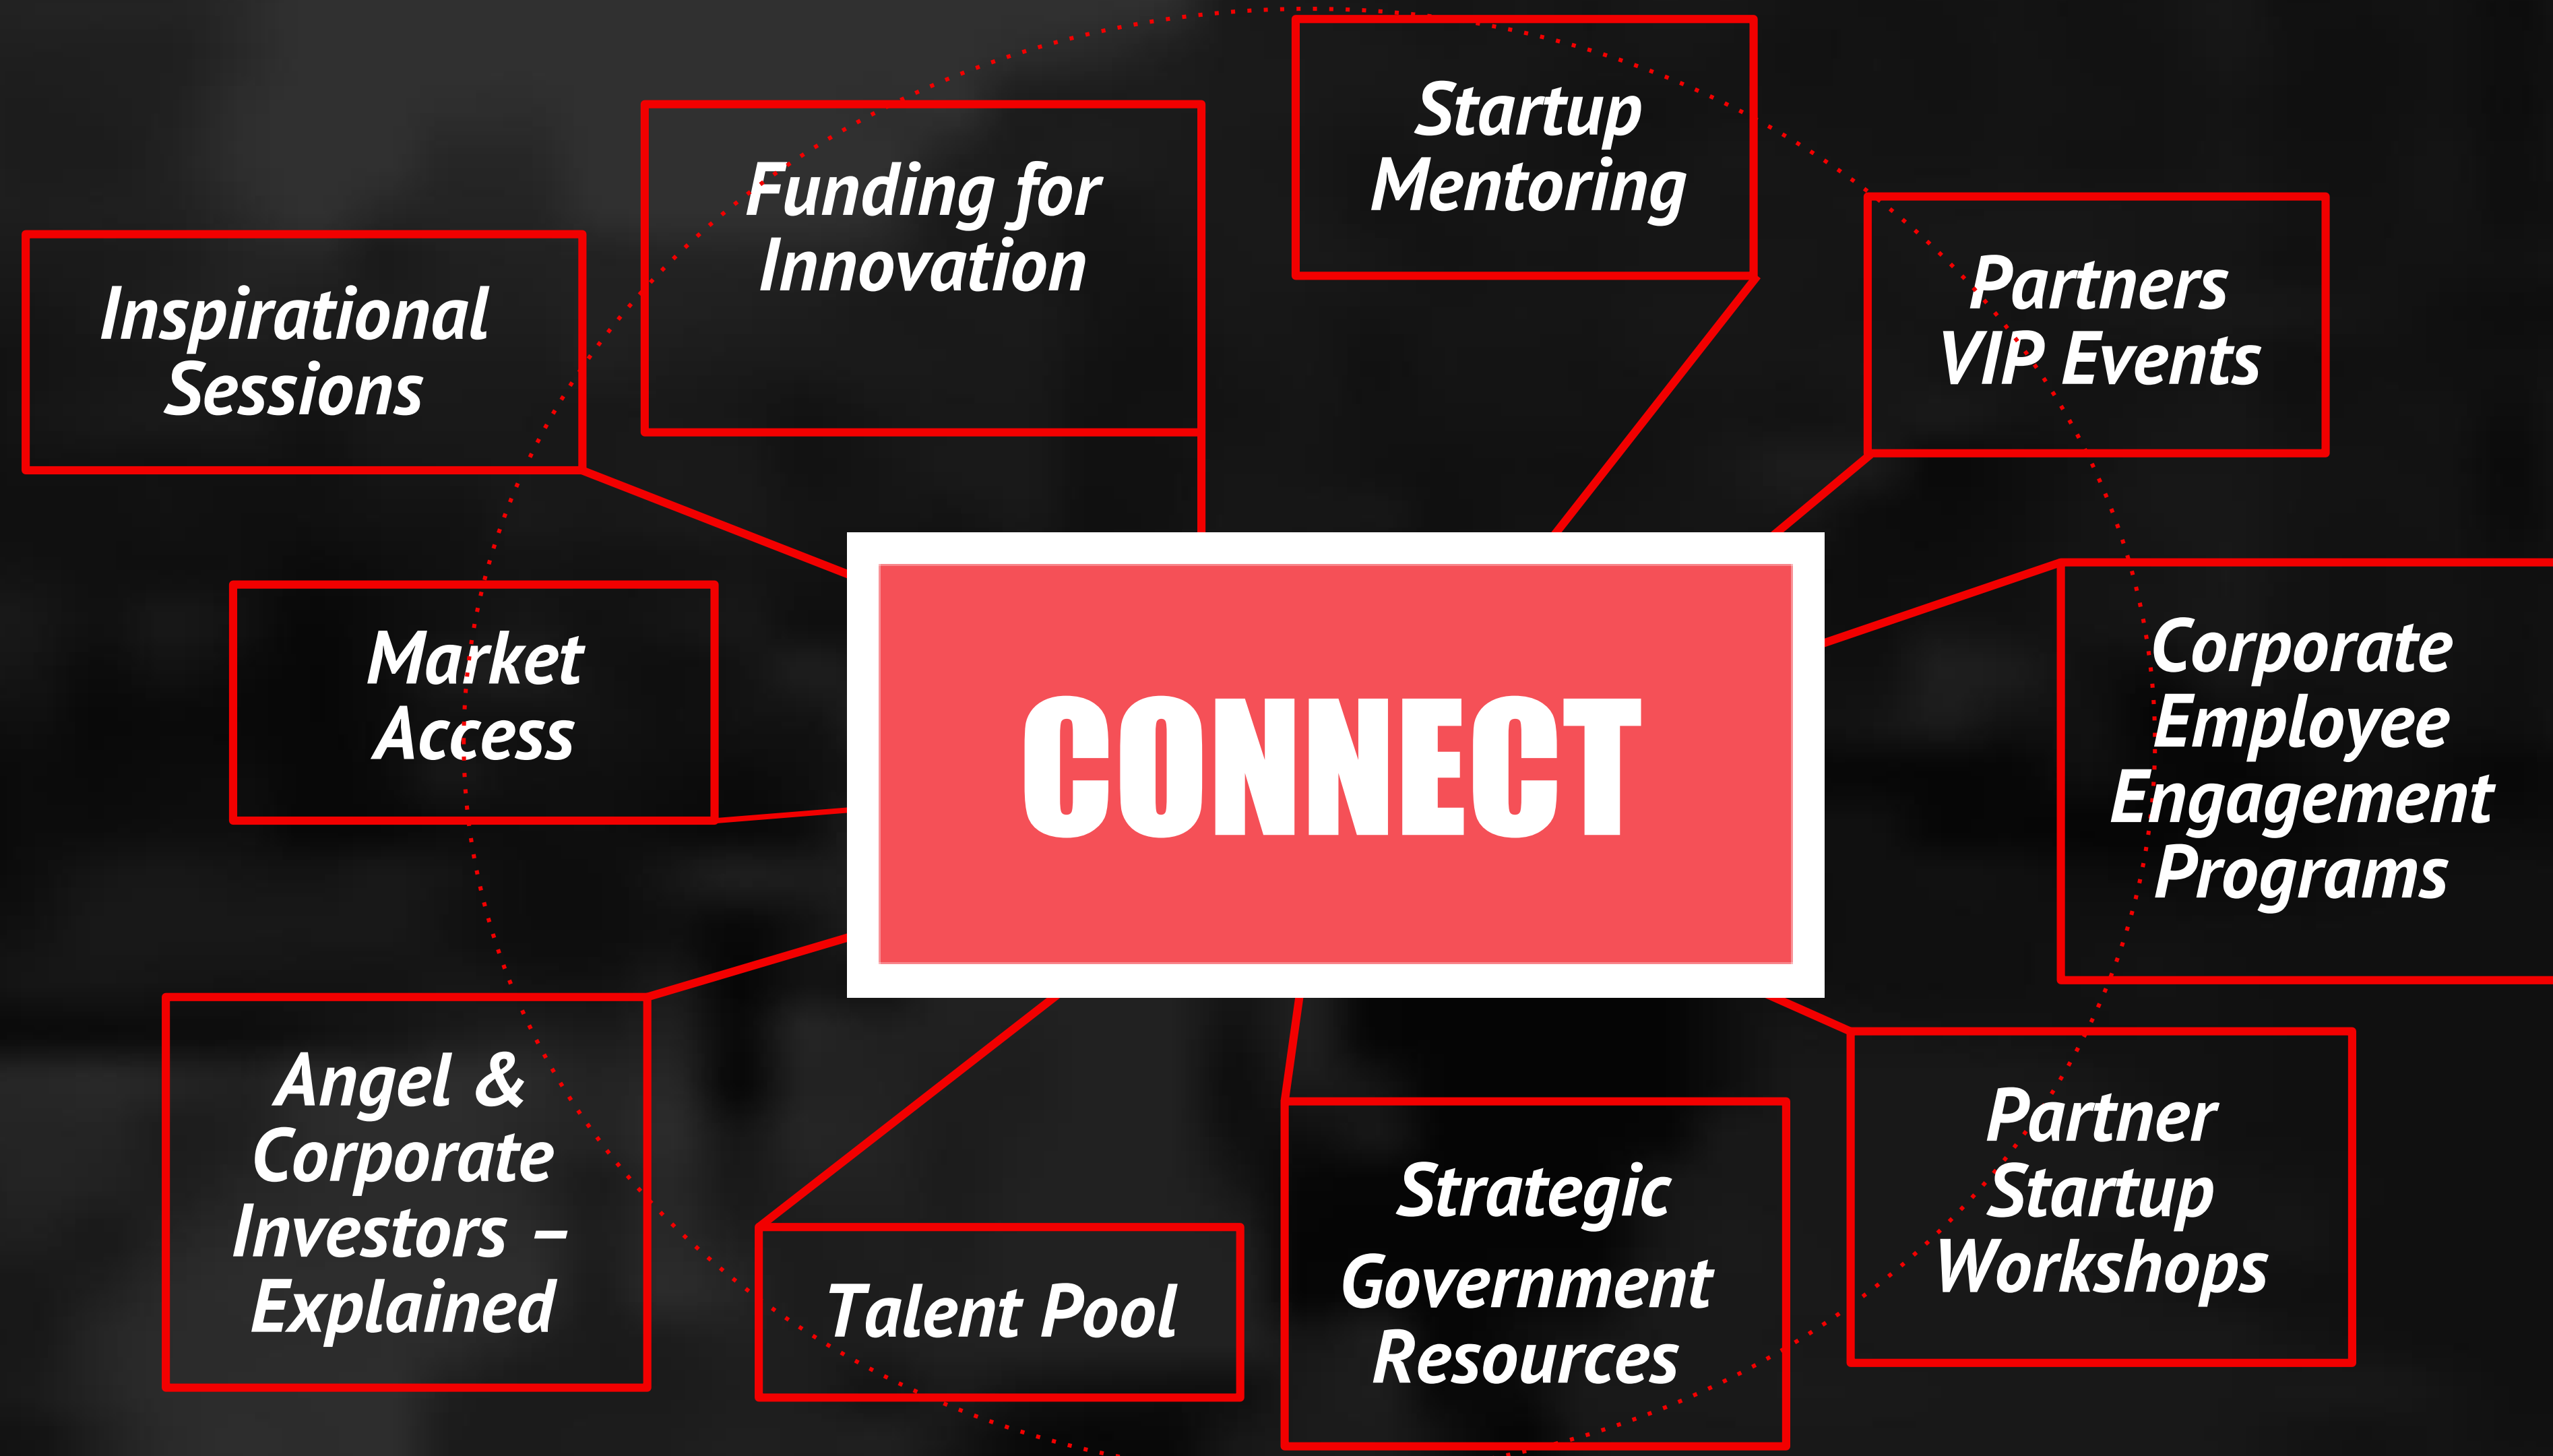

Our aim is to present both regional and international talent, innovative ideas, and cutting-edge technology solutions that can revolutionize and improve our lives.

During this two-day event, industry experts, CEOs of global institutions, business leaders, renowned companies, innovation policy makers and system enablers, universities, and the founders of the world's most disruptive startups will contribute to redefining the future of Southeast Europe as one of the best innovation destinations. Attendees will enjoy numerous opportunities to learn and network, engage in panel discussions, participate in conferences and workshops, and get inspired by world-class speakers. **Together, we will push the boundaries of innovation.**
