TIPPLUS HIMS has 68 modules for managing all hospital processes

TIPPLUS HIMS MODULES

- Appointment and Booking Module
- Registration Module
- Outpatient Nurse Module
- Inpatient Nurse Module
- Doctor Polyclinic Module
- Laboratory Module
- Doctor laboratory Module
- Histopathology Module
- Genetics Laboratory Module
- Nuclear Medicine Module
- Radiology Module (CT,MR,XRAY,USG,DOPPLER)
- Audiology Module

TIPP
Digital Solutions

TIPPLUS HIMS MODULES

- Pharmacy Module
- EMG-EEG Module
- Effort Module
- Hemodialysis Module
- Operation Theatre Module
- Supply management Module
- Sub Depot Module
- Purchasing Module
- Purchasing Request Module
- Pre-accountancy Module
- Accounting Module
- Finance Invoice Module

TIPP Digital Solutions

TIPPLUS HIMS MODULES

- Human Resources Module
- Payroll Module
- Settings and Parameters Module
- Managing Director Module
- Main Depot Module
- Statistics Module
- Logs &Security Module
- Dicom Server Module
- Dicom CD Module
- Dicom Viewer Module
- Multiple Text Messaging SMS Module
- Device tracking and technical service Module
- Integrated Personnel Time Attendance Monitoring System
- Laboratory Patient Line Management Module

TIPP
Digital Solutions

TIPPLUS HIMS MODULES

- Radiology Patient Line Management Module
- ICU Information Module
- Emergency information Module
- DRG Module Diagnosis related groups
- Auto Faximile Module
- Auto Mail Module
- Auto SMS Module
- Training Module
- Blood Bank and Transfusion Center Module
- Tissue Bank Module
- Patient Archive Module
- Fixed Asset Tracking Module

TIPP
Digital Solutions

TIPPLUS HIMS MODULES

- Sterilization Module
- Interactive Booking Module (Voice Response)(Hardware Required)
- Information / Desk Module
- Waste Management Module
- Document Management Module
- Kiosk Module
- Medical Reports Module
- Cafeteria Management Module
- Web Pathology Module
- Web Payroll Module
- Web DICOM Viewer Tele-radiology Module
